SUITABILITY REQUIREMENTS

Needs Based Selling and Suitability Guidelines:

Performing a need analysis helps to ensure that your clients get the product and amount of coverage that comes closest to meeting their objectives.

Determining the suitability of a particular insurance or annuity product for a particular client is one of the most important services you can provide; it is a critical element of every sale. A purchase recommendation is "suitable" when it is appropriate for your client's insurable needs, financial objectives and affordability.

Some states have adopted suitability regulations governing individual insurance and annuity certificates. The regulations generally require that you must have reasonable grounds for believing the policy or annuity certificate you recommend is suitable for the client based upon the information supplied to you.

To address your client's needs and meet suitability compliance standards for annuities:

- Educate clients. Make certain that clients know how the policy or certificate operates, including any premium payments, fees, penalties, interest rates and potential risks. Emphasize that annuities are long-term purchases and explain the potential risks. Emphasize that annuities are long-term purchases and explain the difference between "tax free" and "tax deferred".
- Do complete fact-finding, which includes reasonable efforts to obtain your client's age, occupation, educational background, financial status, tax status, investment objectives, retirement and financial plans and other information you need to make a purchase recommendation.
- Helps clients select the right product based on their purchase needs, risk tolerance and financial means.
- Use the state-required suitability forms provided. Completion of the form will assist you in obtaining the key information need about the annuity.
- Provide a balanced presentation of the features, benefits, and restrictions for products that you recommend. Avoid overemphasizing any one benefit, such as tax-favored advantages for annuity interest or life insurance proceeds.
- Follow up with your client on the first anniversary.

RIGHT TO CANCEL FOR ALL ANNUITY PLANS

- The owner may cancel this certificate before midnight of the 30th day from the date of its receipt.
- Cancellation shall be by delivering or mailing a written notice to us at the address shown above or our authorized agent.
- Return of the certificate is required. The giving of notice or return of this certificate by mail is effective on being postmarked, properly address, with prepaid postage. The money will be returned within 10 days from the date of receipt.

MAINTENANCE OF SOLVENCY

- Western Catholic Union is a Fraternal Benefit Society organized under the laws of the State of Illinois. All Fraternal Benefit Societies in the United States have the Maintenance of Solvency provision in their certificates.
- The MAINTENANCE OF SOLVENCY CLAUSE as it appears in the certificate's states "The provision for flexible premiums and the benefits provided by this certificate are not subject to change. In the event a deficiency, which will impair our solvency, occurs, we will determine an equitable share of the deficiency, if any, for this certificate in accordance with applicable law. The owner will not be personally responsible for the share; the share will be apportioned to this certificate. The owner may pay the share in cash. If not paid, the share will stand as a lien against this certificate and bear compound interest at a rate of not more than 5% per year. The lien will be deducted from any benefit payable. In lieu of or in combination with the lien, the owner may request a reduction in benefits proportionate to the lien amount.

REPLACEMENT OF ANNUITIES OR LIFE INSURANCE

INFORMATION

Applicant: _____ Joint Applicant: _____

Producer: _____ Agent #: _____

IMPORTANT NOTICE

This document must be signed by the applicant(s) and the producer, if there is a producer, and a copy left with the applicant(s).

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases, this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy, to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

- | | | |
|--|------------------------------|-----------------------------|
| 1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? | <input type="checkbox"/> YES | <input type="checkbox"/> NO |
| 2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? | <input type="checkbox"/> YES | <input type="checkbox"/> NO |

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured, or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER:	CONTRACT OR POLICY #:	INSURED OR ANNUITANT:	REPLACED (R) OR FINANCING (F):
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Make sure you know the facts. Contact your existing company or its producer for information about the old policy or contract. If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the producer in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because _____.
A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or producer that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your producer to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

Are they affordable? Could they change? You're older-are premiums higher for the proposed new policy? How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

New policies usually take longer to build cash values and to pay dividends. Acquisition costs for the old policy may have been paid; you will incur costs for the new one. What surrender charges do the policies have? What expense and sales charges will you pay on the new policy? Does the new policy provide more insurance coverage?

INSURABILITY:

If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down. You may need a medical exam for a new policy. Claims on most new policies for up to the first two years can be denied based on inaccurate statements. Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

How are premiums for both policies being paid? How will the premiums on your existing policy be affected? Will a loan be deducted from death benefits? What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

Will you pay surrender charges on your old contract? What are the interest rate guarantees for the new contract? Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

What are the tax consequences of buying the new policy? Is this a tax-free exchange? (See your tax advisor.) Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code? Will the existing insurer be willing to modify the old policy? How does the quality and financial stability of the new company compare with your existing company?

NOTICE:

In the case of a replacement, you have the right to return the policy or contract within 30 days of its delivery and receive a full refund of all premiums or considerations paid, including any policy fee or charges.

I certify that the responses herein are, to the best of my knowledge, accurate:

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		
Caution: To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.			

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to receive your payments only part of the year; or have changes during the year in your marital status, number of pensions/jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs or pension/annuity payments), deductions, or credits. Have your most recent payment statements/pay stubs from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See pages 2 and 3 for more information on each step, when to use the estimator at www.irs.gov/W4App, and how to elect to have no federal income tax withheld (if permitted).

Step 2: Income From a Job and/or Multiple Pensions/Annuities (Including a Spouse's Job/Pension/Annuity)

Complete this step if you (1) have income from a job or more than one pension/annuity, or (2) are married filing jointly and your spouse receives income from a job or a pension/annuity. **See page 2 for examples on how to complete Step 2.**

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Complete the items below.

(i) If you (and/or your spouse) have one or more jobs, then enter the total taxable annual pay from all jobs, plus any income entered on Form W-4, Step 4(a), for the jobs, minus the deductions entered on Form W-4, Step 4(b), for the jobs. Otherwise, enter “-0-” . . . \$ _____

(ii) If you (and/or your spouse) have any other pensions/annuities that pay less annually than this pension/annuity, then enter the total annual taxable payments from all lower-paying pensions/annuities. Otherwise, enter “-0-” \$ _____

(iii) Add the amounts from items (i) and (ii) and enter the **total** here \$ _____

TIP: To be accurate, submit a new Form W-4P for all other pensions/annuities if you haven't updated your withholding since 2021 or this is a new pension/annuity that pays less than the other(s). Submit a new Form W-4 for your job(s) if you have not updated your withholding since 2019.

Complete Steps 3–4(b) on this form only if (b)(i) is blank **and** this pension/annuity pays the most annually. Otherwise, do not complete Steps 3–4(b) on this form.

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):			
	(a) Multiply the number of qualifying children under age 17 by \$2,200	3(a)	\$	
	(b) Multiply the number of other dependents by \$500	3(b)	\$	
	(c) Add other credits, such as foreign tax credit and education tax credits. Enter the total here	3(c)	\$	
Add the amounts from Steps 3(a), 3(b), and 3(c). Enter the total here				3 \$

Step 4: Other Adjustments	(a) Other income (not from jobs or pension/annuity payments). If you want tax withheld on other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, taxable social security, and dividends . . .	4(a)	\$
	(b) Deductions. Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here . . .	4(b)	\$
	(c) Extra withholding. Enter any additional tax you want withheld from each payment . . .	4(c)	\$

No withholding	I request that no withholding be withheld from my payments. See <i>Choosing not to have income tax withheld on page 2</i> <input type="checkbox"/>

Your withholding rate is determined by the type of payment you will receive.

- For nonperiodic payments, the default withholding rate is 10%. You can choose to have a different rate by entering a rate between 0% and 100% on line 2. Generally, you can't choose less than 10% for payments to be delivered outside the United States and its territories.

- For an eligible rollover distribution, the default withholding rate is 20%. You can choose a rate greater than 20% by entering the rate on line 2. You may not choose a rate less than 20%.

See page 2 for more information.

2 Complete this line if you would like a rate of withholding that is different from the default withholding rate. See the instructions on page 2 and the Marginal Rate Tables below for additional information. Enter the rate as a whole number (no decimals)	2 %

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about any future developments related to Form W-4R, such as legislation enacted after it was published, go to www.irs.gov/FormW4R.

Purpose of form. Complete Form W-4R to have payers withhold the correct amount of federal income tax from your nonperiodic payment or eligible rollover distribution from an employer retirement plan, annuity (including a commercial annuity), or individual retirement arrangement (IRA). See page 2 for the rules and options that are available for each type of payment. Don't use Form W-4R for periodic

payments (payments made in installments at regular intervals over a period of more than 1 year) from these plans or arrangements. Instead, use Form W-4P, Withholding Certificate for Periodic Pension or Annuity Payments. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

Caution: If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. Your withholding choice (or an election not to have withholding on a nonperiodic payment) will generally apply to any future payment from the same plan or IRA. Submit a new Form W-4R if you want to change your election.

2026 Marginal Rate Tables

You may use these tables to help you select the appropriate withholding rate for this payment or distribution. Add your income from all sources and use the column that matches your filing status to find the corresponding rate of withholding. See page 2 for more information on how to use this table.
